Dear Sir:

Applicants submit herewith patent, publications or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

While this Information Disclosure Statement ("IDS") may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g) the filing of this IDS shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

The attached form, PTO/SB/08A, provides a listing of patents, publications, or other information as required by 37 CFR 1.98(a)(i). A copy of each of the items on PTO/SB/08 is supplied herewith.

No item of information contained in this IDS was cited in a communication from a foreign patent office in a counterpart foreign application, and, to my knowledge, after making reasonable inquiry, no item of information contained in this IDS was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of this IDS.

Applicant believes that no accompanying petition or fee is required. If, however, a fee is required, the Commissioner is authorized to charge any such fee to Lally & Lally, L.L.P. Deposit Account No. 50-0335/IBM.5268R.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'JPL', written over a horizontal line.
